2018 Football Season

Dear Edison High School Supporter,

The Edison High School **Charger** Football Program is getting ready for another exciting season. We are currently in the process of organizing the Advertisement section for the 2018 Football program, and we are hoping that you will advertise your business with us. As you are probably aware, budget cuts in education and extracurricular activities have increased the need for community support. By placing an advertisement in our Football program, you are helping Coach Jeff Grady, his staff, and most importantly, the young men who give their all - in the classroom and on the playing field. Edison High School Football has a long tradition of success and integrity, and this could not continue without the support of community members and businesses such as you.

We offer several different advertising sizes and prices as you can see from the attached Advertising Agreement. Not only will you be supporting the **Charger** Football program as a whole, you will help this Edison High School student with his financial responsibilities for the upcoming season.

If you have any questions or need additional information, please feel free to contact me before the June 1, 2018 deadline. We truly appreciate and thank you for your support.

Sincerely,

Misty Pinkerton
EHS Program Coordinator
