

Edison Charger Football Alumni/Friends

Stand Tall Charger Pride

Thanks to the many people who have been putting on this tournament for 18 years, we have enjoyed great golf, brotherhood, and fundraising which has helped keep the football program charged up season after season. Also, we would like to thank the past supporters of the EHS Chargers Football Tournament you all have been able to help keep our players in the best of equipment, travel expenses and much more.

*2024 brings on new fiscal challenges for our Charger Football program. The program itself will need to be updated with new training aids and essential safety equipment. Additionally, the costs of supplemental coaching are also a financial responsibility that needs to be addressed moving forward. Did you know that a standard helmet costs a staggering \$500 per player? In 2024 Charger football playing fees will reach almost \$2000 per player!*

*This annual golf tournament will help offset the anticipated costs this season and affords these players the opportunity to succeed in an environment better suited for the winning tradition we are all accustomed to at Edison High School. All sponsorship proceeds will go directly to the football program and help individual players and whatever other costs the program incurs. We need 100% support from our Alumni, but more importantly, we need 100% support from our amazing Community. Please help us so we can give these young players the tools to prosper and keep growing this program into the strong traditional winning program it always has been.*

We are extremely excited this year to keep up with the tradition started by these men and will be putting on the 18<sup>th</sup> year at Strawberry Farms on June 5th with registration starting at 11:00am and shotgun starting at 12:30pm. Silent Auction and dinner to follow golf starting at 5:30pm in The Barn.

Please accept this letter as an invitation for your business to be a sponsor for the 18<sup>th</sup> Annual EHS Chargers Football Golf Tournament.
